

Things to CREATE:

- Make a blanket fort: You can read in here or play games with friends and family.
- Paint a picture. Give it away to someone special.
- Find a recipe, shop for the ingredients, and then cook it up. Be sure to share with your family.
- Go outside and create an obstacle course using items from your house.
- Write a story. You can add illustrations, too.
- Look at the clouds and tell someone a story about what you see.
- Create a masterpiece using items you find around your house.
- Write a letter to someone that lives far away. You can include a drawing of what you have been doing this summer.
